

DANIEL SULTAN

Mississauga, Ontario | thedanielsultan@gmail.com
danielsultan.ca | github.com/itsdanielsultan | linkedin.com/in/daniel-sultan

Independent builder creating civic visualisations, financial learning resources and practical software. Experience in financial sales, customer service, teaching support and youth programs.

SELECTED PROJECTS

Future Mississauga

Ongoing | 2026

Built an independent 3D city atlas combining City data, existing models, project drawings and my Blender modelling. Publishes comparisons, sources and model limits. Featured by 905HUB in September 2026. futuremississauga.com

InvestmentRegulation.ca

Launched Aug 2026

Created a free, MIT-licensed CIRE learning resource with 69 lessons, a 100-question bank, flashcards, drills, mock exams and browser-local progress. investmentregulation.ca

IFC Prep

Published Oct 2026

Built an independent Investment Funds in Canada companion with 54 original lessons, 324 assessment questions, 162 flashcards and 18 workshops, with offline and printable study. ifcprep.ca

Caps Lock for Raycast

Published Oct 13, 2026

Published a TypeScript and Swift utility that toggles native Caps Lock when the physical key is remapped. Checks the resulting state and handles overlapping or stalled calls. [Official Raycast Store](#)

EXPERIENCE

Financial Sales Specialist | Neo Financial

Jul 2026 - Present

Explain digital banking and credit products, listen to customer needs and guide secure onboarding in high-traffic retail settings, following responsible-sales and privacy requirements.
